Orders by Status

Late deliveries are the single biggest delivery issue, far ahead of cancellations. Standard and Second Class shipping average 4 days , twice as long as First Class. Most orders are paid by Debit, and the majority sit in Complete or Pending Payment status, meaning a large share of revenue isn't fully confirmed yet.

Vantara serves **20,652** customers, with **63.51%** classified as repeat buyers. **Consumer** is the leading segment, driving nearly **52%** of all orders. Lifetime value is surprisingly even across segments all sit close to **~\$1.6K** per customer. This means Consumer's revenue lead comes from volume, not higher spend per customer. **Puerto Rico and California** are the top-contributing states by customer revenue.
